POSITION DESCRIPTION

Under the general direction of the Director and the Chief Deputy Director of the Department of State Hospitals (DSH), and subject to the rules and regulations established by DSH, the Executive Director is responsible for the development, organization, and management of a State Hospital, and for sustaining a culture of collaboration, accountability, and transparency. The Executive Director is responsible for policy formation and decision making to ensure the effective operations of a State Hospital; provides management and communication interface between the Directorate and State Hospital staff; ensures the coordination of the clinical program and administrative services to positively affect delivery of services in an environment conducive to quality care and treatment of the inmate-patients.

The Executive Director also takes actions required to implement the key priorities discussed in the 2011 Transition Plan; ensures expenditures are accountable, adhered to or adjusted accordingly, and do not exceed the annual budget allocation; and ensures allocation of funds to proper needs, and improved tracking and reporting to ensure fiscal transparency and accountability.

The Executive Director is a member of the State Hospital's Governing Body and, as its local representative, is authorized to act on behalf of the Governing Body at the facility during the intervals between meetings.

MINIMUM QUALIFICATIONS

Applicants must meet the following minimum qualifications:

Either I

Must be a current State civil service employee with permanent civil service status, as defined in Government Code Section 18546.

Or II

Must be a current or former employee of the Legislature, who resigned or was released from service within the last 12 months, and with two or more consecutive years of service as defined in Government Code Section 18990.

Or III

Must be a current or former nonelected exempt employee of the Executive Branch of **government** who resigned or was released from service within the last 12 months, and with two or more consecutive years of service (excluding those positions for which the salaries are set by statute) as defined by Government Code Section 18992.

Or IV

Must be a person retired from the United States military, honorably discharged from active military duty with a service-connected disability, or honorably discharged from active duty as defined in Government Code Section 18991.

KNOWLEDGE AND ABILITIES

Applicants must demonstrate the ability to perform high administrative and policy – influencing functions effectively. Such overall ability requires possession of most of the following more specific knowledge and abilities:

(1) Knowledge of the organization and functions of California State Government including the organization and practices of the Legislature and the Executive Branch; principles, practices, and trends of public administration, organization, and management; techniques of organizing and motivating groups; program development and evaluation; methods of administrative problem solving; principles and practices of policy formulation and development; and personnel management techniques; the department's or agency's Equal Employment Opportunity Program objectives; and a manager's role in the Equal Employment Opportunity Program.

(2) Ability to plan, organize, and direct the work of multidisciplinary professional and administrative staff; analyze administrative policies, organization, procedures and practices; integrate the activities of a diverse program to attain common goals; gain the confidence and support of top level administrators and advise them on a wide range of administrative matters; develop cooperative working relationships with representatives of all levels of government, the public, and the Legislature and Executive branches; analyze complex problems and recommend effective courses of action; and prepare and review reports; and effectively contribute to the department's or agency's Equal Employment Opportunity objectives.

These knowledge and abilities are expected to be obtained from the following kinds of experience with substantial participation in the formulation, operation and/or evaluation of program policies (experience may have been paid or volunteer; in State service, other government settings, or in a private organization):

CEA Level 1. Supervisory/administrative experience in a line or staff activity, including the execution and/or evaluation of program policies.

CEA Levels 2 and 3. Broad administrative or program manager experience with substantial participation in the formulation, operation, and/or evaluation of program policies.

CEA Levels 4 and 5. Extensive managerial and program administrative experience which has included substantial responsibility for a combination of management functions such as program planning; policy formulation; organization coordination and control; and fiscal and personnel management. Where high technical professional qualifications are of primary importance in performing the duties of a given CEA position, then the above required experience may have been in a staff capacity exercising professional skills to influence and contribute to program, policy, and methods of providing those professional services. Primary examples are medical doctors and attorneys.

DESIRABLE QUALIFICATION(S)

1. Demonstrated experience in developing a large medical/psychiatric facility's annual budget, and adjusting and adapting to ensure expenditures do not exceed the annual budget allocation.
2. Demonstrated experience in planning, organizing, and directing the work of multidisciplinary professional and administrative staff; and knowledge of the principles, and practices of personnel management, and equal employment opportunity techniques.
3. Demonstrated experience in negotiation/communication skills with labor organizations and staff, and working with attorneys in negotiating the settlement of employee litigation.
4. Demonstrated experience in handling an operational emergency at a medical/psychiatric facility including communication processes with a central office, staff, and patients.
5. Knowledge of licensing and certification processes of medical/psychiatric facilities, Joint Commission accreditation, and policy development for 24-hour facilities.
6. Knowledge of mental health programs, healthcare organizations' policies, and California State Government including the organization and practices of the Legislature and Executive Branch.
7. Knowledge of the establishment of the new Department of State Hospitals; and the actions required to implement the key priorities discussed in the 2011 DMH (Department of Mental Health) Transition Plan -- www.dsh.ca.gov/Publications/TransitionAndReorg.asp
